

For over 20 years, David has contributed to a wide variety of projects throughout the Midwest.

David is responsible for servicing long-standing client relationships, supervision and management of staff for creation, production and delivery of projects. David's approach for fulfilling client needs is done so through awareness and a passionate understanding of their aspirations and direction.

David is deeply committed to professional development through advocacy and participation in the AIA and mentorship.

Outside the office he can be found responding to emergency calls on the local Mason City Fire Department.
